A photograph of a rustic wooden table. On the table are several pieces of ceramic tableware, including a large shallow bowl with a speckled glaze, a smaller bowl in the foreground, and a stack of plates. A single green leafy sprig is visible in the top left corner. In the bottom right corner, there is a small, clear wine glass filled with a light-colored liquid.

Horeca Square

A photograph of a rustic wooden table surface. On the table are several stainless steel food prep trays. One tray contains dark, dried, wrinkled leaves, possibly chard or beet greens. Another tray is empty. In the foreground, there is a large pile of fresh, green microgreens. The lighting is warm and highlights the texture of the wood and the metallic surfaces.
